

WCA Chapter Matching Fund Application Form

Description

The WCA Chapter Matching Fund is intended to provide an incentive for chapter collaborations. Two or more chapters that work together on an exhibition or conference may each apply for matching funds. It is separate from the WCA Chapter Development Fund and the WCA Travel Scholarship. Chapters must make formal applications for the funds upon completion of the project and the filing of a report. WCA Chapter Matching Funds are disbursed on a first come, first served basis and is limited to \$100 per project until the account is exhausted for the year. Historically, WCA has funded two to six projects per year.

Funds may be used towards these projects:

- Art exhibitions developed and administered by two or more chapters
- Regional conferences involving multiple chapters
- Other cross-chapter collaboration events, approved at the discretion of the President

Report of Event

Chapter must file a report after completion of project. Funds are disbursed after the report has been reviewed by the President.

Application Submission

Upon completion of the project, Chapter Presidents should send an email with subject header "WCA Chapter Matching Fund" with attached application and photographs of event to: president@nationalwca.org
